

Roll clay in your palms to form a ball. Pinch the clay to flatten into a disc or roll to create a coil.

Score the clay with a pencil or clay tool, dip your finger in water to create slip to attach petals.

Use a clay tool or pencil to create holes (seeds) in the center of the flower.

Use a bowl lined with plastic wrap (so it doesn't stick) to mold a bowl shape.

Use watercolor or acrylic yellows and browns to paint your sunflowers.

Mix and layer paint colors to add color and details to your sunflowers.

Apply a thin layer of Mod Podge on top of your painted sunflower.
