

Junior Gardeners Newsletter

JUNE 7 – 12

Campers enjoyed themselves as we gathered for a group photo.

Dear Parents,

We were excited to receive our campers for another week of exploration. The theme for this week's was Gardening and we wanted our campers to leave feeling like they were Jr. Master Gardeners. Campers learned how to plant, water, weed, identify/classify plants, etc. In addition, campers had a lot of fun with team building games as they got to know one another. Thank you for letting us educate your campers and we hope to see you again!

A GARDEN IS A GRAND TEACHER. IT TEACHES PATIENCE AND CAREFUL WATCHFULNESS; IT TEACHES INDUSTRY AND THRIFT; ABOVE ALL IT TEACHES ENTIRE TRUST. — Gertrude Jekyll

Campers combined nature with art and made botany inspired resin art.

Campers learned how to weed out gardening beds for transplanting.

Invasion of Veggie Land, a skit performed by campers!
